

**rah-rah-ah-ah-**  
**ah**

**like a plastic  
bag**

**when the sun shines,  
we shine together**

**she wears short  
skirts**

**It started with a  
whisper**

**And that was when I  
kissed her**

**my first love broke**  
**my heart**

**we could have had  
it all**

**you were**  
**Romeo**

**I heard that you're  
settled down**

**coming out of my  
cage**

**you used to call me on  
my cell phone**

**I used to rule the  
world**

**Wake up in the  
morning feeling  
like P Diddy**

**his palms are  
sweaty**

**your sex takes me to  
paradise**

**noddin' my head  
like yeah**

**Hey, I was doing  
just fine before I  
met you**

**that that don't kill  
me**

**I got, I got, I got, I  
got**

**And I know she'll be  
the death of me**

**when I see your  
face**

**today I don't feel like  
doing anything**

**don't believe me,  
just watch**

**red lights, stop  
signs**

**Give me a second I**

**kiss me under the light of a  
thousand stars**

**now he's thinkin' 'bout  
me every night**

**She'd turn the rain to a  
rainbow when I was  
living in the blue**

**I'd jump in front of a  
train for ya**

**I can't sleep until I feel  
your touch**

**I'm living in that 21st century,  
doing something mean to it  
Do it better than anybody you  
ever seen do it**

**Kiki, do you love  
me**

**my left stroke just  
went viral**

**Yeah, breakfast at Tiffany's  
and bottles of bubbles  
Girls with tattoos who like  
getting in trouble**

**we push and pull like a  
magnet do**

**so you're a tough  
guy**

**I only love my bed and  
my mama**

**she take my money  
when I'm in need**

**He said, "One day, you'll  
leave this world behind  
So live a life you will  
remember"**

**nice to meet you,  
where you been  
I could show you  
incredible things**
