

Make America
great again

One small step
for man, one
giant leap for
mankind

An eye for an
eye makes the
whole world
blind

Four score and
seven years
ago

Let them eat
cake

I did not have
sexual
relations with
that woman

I have a dream

I am become
death, the
destroyer of
worlds

You miss 100%
of the shots
you don't take

Ask not what
your country
can do for you

I think,
therefore I am

The only thing
we have to fear
is fear itself

Not 1, not 2,
not 3, not 4,
not 5, not 6,
not 7 ...

Et tu, Brute?

Float like a
butterfly, sting
like a bee

Stay hungry,
stay foolish

With great
power comes
great
responsibility

To be or not to
be that is the
question

They have a
timeout, decide
not to use it

History is
written by the
victors

It was the best
of times, it was
the worst of
times

Ladies and
gentlemen, we
got him
