

**we're rounding
the turn**

**I invented law
and order**

**I could end crime
in a week**

**the Kurds are
no angels**

**least racist
person
in this room**

**no collusion, no
obstruction**

**I don't take
responsibility
at all**

**my polls are the
best polls**

**I made NATO pay
trillions**

**They measure my
rallies
in miles, not seats.**

**the oranges of
the investigation**

**They begged me
not to
run; I did it for you.**

**I passed
Veterans
Choice**

**I know more about
ISIS
than the generals**

**I could run the
Fed better**

**We cut more red
tape before
lunch than they
did in years.**

**one of the wettest
from
the standpoint of
water**

**nobody reads the
briefings like I do**

**I like people who
weren't captured**

**Even the haters
admit
the numbers.
historic.**

**the stock market
listens to me**

**we have it totally
under control**

I have Article

II

**I tested positively
toward negative**

**The economy moves
when I
tweet. everyone
knows it.**

**I built the vaccine
in record time**

**People are calling me
the jobs president
again**

**Nambia's health
system is
increasingly
self-sufficient**

**the wall pays for
itself weekly**

**I passed
Veterans
Choice**

**We brought back
manufacturing
with a single phone
call.**

**they took over the
airports**

**the kidney
has a
very special**

**my brain is
rated a ten**

**bing bing, bong
bong**

**we're bringing
back**

Merry Christmas

New York

calls

me Mr.

Person.

Woman.

Man. Camera.

**I know more about
climate than
scientists**
